NEW SENSATION NOW RUMORED

FAILING TO ACCOMPLISH ANYTHING BY THAT IT IS SAID SHINE WILL BE PULLED DOWN.

A new rumor was out yesterday to the effect that the Anti-Primary forces had another sensation of some kind up their sleeve which they propose to spring either this afternoon or Monday.

Just what that sensation is to be, or whether there is to be one at all, no one has been able to learn, but the rumor goes that if this sensation is sprung and is not successful then Mr. Shine is to be pulled down and the Anti-Primary people be advised to throw their support to Mr. Robinson, the straight republican candidate.

Conservative men do not credit that part of the rumor which refers to Mr. Shine coming down, although his now recognized weakness and the recently developed strength which Mr. Robinson is commanding would seem to give some basis for that kind of a play.

The Shine forces, however, maintain that their candidate is in the race to stay, although they neither confirm nor deny the rumor regarding the sensation to which the public is yet to be treated.

But whatever that sensation may be it cannot possibly have any effect other than that of a boomerang, and there is a very general impression that the Anti-Primary forces have thrown enough boomerangs to suit them already.

A DANISH BOARHOUND.

He Was a Jealous Brute and Carefully Guarded His Mistress.

During a visit to a friend in the country Sir Henry Hawkins had an adventure with a boarhound which he describes in his "Reminiscences."

There was an enormous Danish boarhound which had, unperceived by us, followed Mrs. Harlstone from the library. He pushed by without ceremony and proceeded until he reached the lady, who was some distance in advance. He then carefully took the skirt of her dress with his mouth and carried it like an accomplished train bearer until she reached the bottom of the stairs and the garden, when he let go the dress and gazed at an interested spectator.

But before we parted from Mrs. Harlstone and while I was talking to her I felt my hand in the boarhound's mouth, and a pretty capacious mouth it was, for I seemed to touch nothing but his formidable fangs. So soft was the touch of his fangs that I was only just conscious my hand was in his mouth by now and then the gentlest reminder. I knew animals too well to attempt to withdraw it, and I preserved a calm more wonderful than I could have given myself credit for.

While I was wondering what the next proceeding might be Mrs. Harlstone begged me to be quite easy and on no account to show any opposition to the dog's proceedings, in which case she promised that he would lead me gently to the other side of the lawn and leave me without doing the least harm.

As I was being led away Mrs. Harlstone said: "Do exactly as he wishes. He is jealous of your talking to me, and any one who does so he leads away to the other side of the garden."

Having conducted me to the remotest spot he could find, he opened his huge jaws and released my hand, wagged his tail and trotted off, much pleased with his performance.

CURIOUS OATHS.

Odd Ways of Swearing to the Truth of One's Statements.

When a Chinaman swears to tell the truth he kneels down, and a china saucer is given to him. The following oath is then administered: "You shall tell the truth and the whole truth. The saucer is cracked, and if you do not tell the truth your soul will be cracked like the saucer," when he breaks the saucer. Other symbolic variations of the Chinese oath are the extinguishing of a candle or cutting off of a cock's head, the light of the candle representing the witness' soul and the fate of the cock symbolizing the fate of a perjurer.

In certain parts of India tigers and lizards' skins take the place of the Bible of Christian countries, and the penalty of breaking the oath is that in one case the witness will become the prey of a tiger and in the other that his body will be covered with scales like a lizard.

In Norwegian courts of law the prelude to the oath proper is a long homily on the sanctity of the oath and the terrible consequences of not keeping it. When the witness is duly crushed by the sense of his fearful responsibility the oath is administered while he holds aloft his thumb and fore and middle fingers as an emblem of the trinity.

In an Italian court the witness, with his right hand resting on an open Bible, declares, "I will swear to tell the truth, the whole truth and nothing but the truth." The Mohammedan takes the oath with his forehead reverently resting on the open Koran. He takes his "Bible" in his hand and, stooping low, as if in the presence of a higher power, slowly bows his head until it touches the book which to him is inspired.

In certain parts of Spain the witness when taking an oath crosses the thumb of one hand over the forefinger of the other and, kissing this symbol, if primitive, cures, says, "By this cross I swear to tell the truth."

COUNTRY PEOPLE FAVOR BLISS

MUCH INTEREST MANIFESTED AT MYRTLE GROVE—PERSONAL AND GENERAL NEWS.

Special to The Journal.

Myrtle Grove, June 2.—Although we have nothing whatever to do with the present campaign for the election of city officers which is now being waged in Pensacola, there is being manifested considerable interest in the result on June 6th. Most of the people here are well informed of its progress from day to day. The two newspapers reach us from week to week, and both are well read regarding each issue on this subject. Municipality elections have a great bearing upon the people, and although we are not concerned, Chas. H. Bliss and the primary candidates are being praised. We are glad to know that all have the same good wishes for Mr. Bliss and the primary nominees that we have.

Owing to recent rains, crops are doing well now.

The regular weekly musical and choir practice of the Myrtle Grove choir was held last Saturday night at the Baptist church, and as usual Mr. Richard Beale the permanent leader, was present. The church services on the following day were well attended, and baptisms at the pool was administered. Mr. Jno. Roulston, daughter, of Warrington, were among those in attendance at church. Rev. J. W. Senterfit, of Holts, was, as usual, present.

Among the prominent young men of your city visiting us last Sunday were Messrs. Albert Egart, Geo. Kupfrian, Mr. J. Pfeiffer, Willie Wolf, and Willie Ewing.

Mr. Henry Pfeiffer and his fiancée, Miss Martha Cravey, both of Pensacola, were visitors here Sunday.

The date of the social and ice cream supper has been fixed for the evening of June 14th, and as stated last week will be held at the Good Templar's hall, the proceeds to go to fitting up the Baptist church building. All who desire to have a good time at moderate expense will do well by attending this. Good order will prevail.

The closing of the school here yesterday was celebrated with recitations and a picnic and was a grand affair. Your correspondent would like to correct an error about the school term which has just closed. As the types would have it last week, we only had eight weeks of school. Instead, we had an eight months term. We hope to be so fortunate next term.

SANOZOL LOTION AND SOAP.

POSITIVE CURE FOR ALL SKIN DISEASES.

The wonderful discovery of the famous specialist in skin diseases, A. J. Fulton, M. D., Brooklyn, N. Y. Sanozol treatment is external only.

SUFFERERS FROM

Eczema, Lupus, Herpes, Ringworm, Prurigo, Scrofuloderma, Skin Cancer, Pediculosis, Psoriasis, Ecthma, Lichen, Syphilis, and all other forms of ulcerative, scaly and parasitic skin diseases find immediate relief and permanent cure by the use of Sanozol. It removes pimples and blackheads and cures sweaty or itching feet.

Some of the now famous cures by Sanozol treatment were fully described in the New York World of March 9 and the Brooklyn Daily Eagle of March 23, 1904.

August Newman of Enfield street, near Graves Place, Brooklyn, writes that he had been a sufferer from skin eruptions for eight years called various names by different physicians. Finally he was induced, in sheer desperation, to try Sanozol. He enjoyed his first unbroken sleep after the first bottle of Sanozol. His reward for a conscientious treatment of this remedy for two months was a complete cure.

THE SOAP

CHARLIE WELLS DRIVES A NAIL

SAYS CAMPAIGN STORY REFLECTING ON HIS CANDIDACY IS FALSE.

Editor Pensacola Journal:

Please allow me space in your valuable paper to drive a ten penny nail down through a campaign yarn that is being circulated by my opponents to injure me in my race for mayor. This story is to the effect that I am in league with a certain candidate and that if the aforesaid candidate is elected I am to receive a great big, large, fat and luscious position for my traitorous machinations toward my many supporters.

This story was started by a one-man power hot air Annapolis storage battery motor. This engine of campaign falsehoods is frequently recharged at its owner's powerhouse, after which it is again sent the rounds on its infamous mission.

This motor which is of the latest improved, up-to-date, pattern is octuple expansion selfpropelling, dependent only upon being recharged. There are several different varieties on the market, but this one particular motor is guaranteed and backed by the money power to turn out more and blacker lies than all other motors with which the universe is infested. After the 6th of June one can be purchased for the infinitesimal remuneration of a promise to support the gang two years hence.

This story about my being a candidate to assist in the election of any other person than myself is an absolute falsehood. I am not in collusion with any sect, faction, clique or gang. Yours for fair play.

Indian Legend of the Formation of This Famous Mountain.

The quaint Indian legend of the formation of Pike's peak is as follows: "At the beginning of all things the lesser spirits possessed the earth and dwelt near the banks of the great river. They had created a race of men to be their servants, but these men were far superior to the present inhabitants of the earth and made endless trouble for their creators. Therefore the lesser spirits resolved to destroy mankind and the earth itself, so they caused the great river to rise until it burst its banks and overwhelmed everything. They themselves took each a large portion of the best of the earth that they might create a new world and a quantity of maize, which had been their particular food, and returned to heaven. Arriving at the gate of heaven, which is at the end of the plains, where the sky and mountains meet, they were told that they could not bring such burdens of earth into heaven. Accordingly they dropped the masses made a great heap on the top of the world which extended far above the waters, and this is the origin of Pike's peak, which is thus shown to be directly under the gate of heaven. (It was formerly twice as high as now, but lost its summit, as is told in another legend.)

"The rock masses upon it and all about show that they have been dropped from the sky. The variety and extent of the mineral wealth in the region prove that the earth's choicest materials are deposited there. And still as the constellations move across the heavens and vanish above the mountain summits we may see the spirits rise from the great river and pass to the gate of heaven. The falling stars are these falling burdens of the dropping grains of maize."

APPEAL TO WHITE VOTERS

SOME VERY EXCELLENT REASONS GIVEN FOR VOTING DEMOCRATIC TICKET.

Pensacola, Fla., June 2, 1935.

Editor Pensacola Journal: I had occasion to be present at the so-called Shine rally of Thursday night at Seville square, but in my estimation it was a Bliss gathering with Shine speakers.

During the course of talks from the different bolters from the Democratic ranks, I paid especial attention to the remarks of Mr. Shine in his attempt to try to convince the less intelligent voter that in casting his vote for him he (the voter) does not place the negro in power.

I beg to differ with Mr. Shine on this question and will give him my views for doing so as follows:

It is a well known fact to all that the Anti-Primary faction has been trying and has succeeded in dividing the white voters to a certain extent and they are striving regardless of principle to get sufficient of the weaker class of white voters into their negro column to enable them to carry off the election of their candidates.

Is it not clear enough to any fair minded thinking white man that when they allow themselves to be thus divided that it makes the negro the master of the situation. Now as white men and true Democrats let us see that this negro vote does not dominate in the present city campaign, and let us purify the ballot of this densely ignorant and corrupt vote by voting a straight white Democratic ticket.

There is a slight difference between the city of Pensacola and the different cities of South Carolina that have a very large negro vote. We all know what the conditions of affairs were there during the negro domination, therefore let us see that it does not dominate in the city of Pensacola to the danger of property and person.

This is what alarms the true Democrats. There are always white men willing to take office by negro votes over the protest of their neighbors. It is this condition that makes the white Democrats of Pensacola desirous of putting such men out of temptation to crawl into office by that means.

I am not in favor of disfranchising one tax paying negro, but I do say keep him out of power headed by a few disloyal so-called Democrats and don't let his vote decide the issue of a campaign as Mr. Shine and his God Father, Mr. Wells, are striving to do in the present election. In permitting this, you not only nullify your own vote but the vote of every white man in the community. When I say white men I mean both color and principle and I am sure we have enough of them to carry us to victory.

Therefore I say as white men let us stand together and nip this negro domination in the bud by casting our votes for Chas. H. Bliss and the entire white Democratic primary ticket.

Mr. Shackelford in his speech says united we stand, divided we fall. So as white men let us unite. It's a duty we owe the coming generation.

RECEPTION TONIGHT OF DAUGHTERS OF CONFEDERACY

The United Daughters of the Confederacy will give a reception at the residence of Mrs. F. E. Brawner tonight at 8 o'clock, the occasion being the anniversary of the birth of Jefferson Davis. A musical and literary program will be rendered. Veterans and friends of the Memorial Association, Sons of Veterans and all others interested are cordially invited. A Case of It

Many More Like It in Pensacola.

The following case is but one of many similar occurring daily in Pensacola. It is an easy matter to verify its correctness. Surely you cannot ask for better proof than such conclusive evidence:

Mrs. A. Cummings, of 402 West Independence street, says: "I must say that Doan's Kidney Pills, which I purchased at Sidney Kahn's drug store, No. 9 South Palafox street, are a reliable remedy. My kidneys have bothered me for a great many years. There was a tired feeling about me all the time and any exertion used me up entirely. My back pained me so at times that I could not rise from a chair without assistance. An old friend of mine recommended Doan's Kidney Pills to me years ago as they had cured him of a serious kidney complaint. I neglected getting a box from time to time, but finally when I saw them advertised in the New Orleans Item I started to use them and they proved to be a splendid remedy. I have used some five or six boxes and they have corrected the kidney trouble, and the tired, worn out feeling which existed all the time disappeared and my back does not ache as it formerly did. I have recommended Doan's Kidney Pills to several and know others who have used them with the most satisfactory results."

A HAPPY MOTHER

WEATHERFORD, TEXAS, May 14, 1902.

Before my baby was born I was in great misery. I was just able to be about but just as soon as I began to take Wine of Cardui, which had been recommended to me, I felt much better. In fact I feel that it had not been for this medicine I would not have been strong enough to live through childbirth. But that was made comparatively easy by taking your medicine for four months before baby came. Wine of Cardui restored my health as I took it two months afterward. I cannot speak too highly of Wine of Cardui and I am glad to endorse it.

Mrs. C. E. Wood

Treasurer, Young Mothers' Club.

Wine of Cardui is a powerful tonic which acts on the generative organs of women, regulating menstruation and giving tone and strength to the organs which inflammation and weakness have affected. It cures nineteen out of every twenty cases of bearing-down pains or ovarian trouble. Wine of Cardui cures barrenness and aids the mother in conserving her strength for the ordeal of childbirth. After that event the Wine prevents dangerous flooding and helps mothers to quick recovery. Wine of Cardui is the one medicine a mother should use before and after childbirth.

All druggists sell \$1.00 bottles Wine of Cardui.
